

2018 BROCHURE – New Investment Hub coming Feb 2018

Gateway2Enterprise for 2018 will be an integrated business support members hub for entrepreneurs and businesses looking to start and grow. Supporting your business through finance/investment/business development solutions working with our preferred Partners to support your business to start/grow. Launching February 2018 our New Investment Hub for upgraded Members only

New for February 2018

- **Upgraded Membership Business Hub** – an online business community where our upgraded Members can hang out in our Investment Hub to be supported on the journey of the 'Investment Ecosystem' Preparing Structuring and Sourcing Investment for our Members. You will be able to download tools from Pitch Decks and be signposted to links for Research etc – chat with other members by uploading your LinkedIn Profile and learn from those who have raised successfully and much more to come The all in one platform for ALL the tools you need to successfully raise Investment in 2018.
- **Upgraded Investor Matching Platform** – to follow Summer 2018

This will allow our Upgraded Members to source Investors to suit the stage of their Investment raise from Seed Stage to ABC raise and will feature Investors from Private Angel Investors to Family offices and Global VC's etc

INTRODUCTION

Gateway2Enterprise works on a membership basis which is free and has been for four years – JOIN the 200000 other members and take advantage of our Upgraded Membership to use our Investment Hub from February 2018.

Based in London and the North-West UK we aim to have a Global presence and network of Investors and clients which we strategically worked on in 2017.
